OFFICE OF

THE ADVANCE

Chicago, Dec 12 1890.

Our subscriptions are largely in clubs & almost all beginning with the year & so already renewed & we think it will not look very well to make just after any special offer. Then also, for us to say much about it will recall after a great disappointment felt by so large a number at its incompleteness. Completed it must be a general book.

Yours truly,

THE ADVANCE Publishing Co.
