Dear Sir and Brother:-

The Upsilon Chapter of
Psi Upsilon has asked me
to take charge of the chapter's
affairs with reference to a
chapter house.

It seems apparent to
our resident alumni that
soon the chapter must
have a house of its own.

We are at present paying
a large rent for a furnished
house.

We wish to raise eight

thousand dollars. With this
and a small mortgage we
will be able to erect a house.

Before the house is built
we propose to rent a house
and furnish it with only
such furniture as will be
suited for a chapter house.
when it ~~has~~ been built.

Our chapter is behind
the other chapters of Psi U. and
in fact the fraternities at the
university, in the way of
building a chapter house.

If we wish to keep pace
with the times and the
growth of the university
we should build a house
so that the chapter may
have a permanent home.

We ask for your hearty
co-operation. We wish
every alumnus to subscribe

to our fund.

Since we have gone so long without a chapter house may we not ask you to make a special gift to us now?

I have written at some length but is simply because I wish to see the fund grow rapidly.

Hoping for a very favorable reply, I am,

Fraternally yours,

William A. Stalling.

For the Chapter,
40 So. Clinton St.,
Rochester,
N.Y.

My dear Sir: I should be very happy to
comply with ~~respect to~~ your request but my finan-
cial condition is not such as to justify
me in contributing to the purpose you
specify - Yours very truly.
