Col. A W Tourgee

Mayville, Chatauqua, Co, N Y. Dear Sir;

If I have been negligent,
do'nt lay it to malice. I had a little talk with Col. Perkins a
long time ago about the Loyal Legion. We want to recommend you to
our commandry. I send you this day blank application which you
will please fill up and return to me, when we will see that you get
the proper certificate of character for election. We expect to ha
have a big time at Philadelphia, Pa. in April next, at which time
I am sure you will be pleased to be present.

Very Truly:

A. C. Voris
