My dear Comrade,

I have you a copy of the letter that you sent me to be read at the Seneca Falls re-union last September. I want it to print in the proceedings which I am now getting out. The original letter I read at the Seneca Falls meeting and it was very much enjoyed by the comrades. After the meeting I handed it to the chairman of the local committee to have it printed in the local paper. I cannot find that it was printed and I have not been able to get the letter from Major Snider although I have written a half dozen times for it. I expect he has been on a stump ever since we were

there. I regret very much that I
let the letter go out of my hands
but it seemed best at the time.

I hope you will be able to furnish
me with a copy.

Yours truly,

L. B. Fitchell.
