Washington D.C.

February 23 90

Hon. A. W. Tamm

Dear Sir:

You are probably aware that an arrangement was made by the Clayton Science Bureau for you to give a lecture in the course under the auspices of the First Cong. Church, on March 7th, 1890. Will you kindly notify me of the subject of your lecture before the end of this month, so that it may be included in the advertisement.

You know Washington well enough to make your judgment of a subject our best reliance.

Very Respectfully
S. S. Gardner, *Committee*
