My dear Comrade,

Your letter received.

and in the following mail

I received a letter from Council  
Quinn and a paper containing  
your letter. I can assure you

I was glad to get it. The letter  
was printed in the Seneca Co. Courant  
of Sep. 12. I did not find time

to write you after the reunion as I  
started immediately on such a trip in  
the interest of our paper. I did, <sup>however</sup> send

to you from Rochester a paper giving  
an account of our meeting. I regret  
that you did not receive it. I send now

The BUYERS' DIRECTORY contains the Names and Addresses of all Manufacturers  
and Dealers in Railway Supplies.

under a separate cover a paper  
giving quite a full account of the  
first days' proceedings.

When you receive the copy of the  
~~printed~~ proceedings now being printed  
and feel like contributing something  
to the funds of the Association it  
it will be thankfully received. You  
will see from my report that we shall  
be slightly in debt when the business  
of the year is closed up.

Yours truly,  
C. B. Fairchild.
