

Greensboro, N. C.,  
Mich 26th, 1890,

Mrs. Sargee,

Dear Madame,

Inclosed you will find a "due bill" which you gave me in 1875 for work during the year 1874.

I wouldn't have sent it, but I stand very much in the need of the money.

Tom Graves, is very feeble most of the time, and I'm increasing in years and cannot get around and do the work I use to do.

I hear now and there of the Judge from the newspapers. I am truly,

glad to know that he has  
met with such an abund-  
ant success, since he has  
left North Carolina.

May you both be pros-  
perous and happy.

Yours truly,

Louisa Graves
