2959 DEARBORN STREET,

**REPRESENTING:
THE NEW YORK AGE,
THE AFRO-AMERICAN BUDGET,
SOUTHERN CHRISTIAN RECORDER.**

CHICAGO.

New Orleans, La April 1st 1890.

Judge A. H. Toussaint

Maysville

New York.

Dear Sir:

I mail you with this note
~~out~~ or at the same time two (2) copies
of the New York Age. I have marked
in each copy a place with a blue
pencil. These places which I have
thus marked are my letters to
the Age of things I have seen since
I left the Chicago.

There is no freedom in the South
for the Colored American.

Alas, but I must confess to
the real truth, that he has no
Civil or political rights further
than the Whites choose to allow
him. I shall send you some
more copies of this paper containing
my letters and I would like to
hear if you receive them.

Please tell your son for me

that I am very thankful to him for
having that paper sent me from
Boston; and that I got Bick's without
straws and read it with much
interest; and that I were certainly
greatly benefited thereby.

Please ^{write} this writing as soon in a
great hurry to catch a train

I am your obedient servant
