My dear Mrs. Touge

Last night when I  
came home I found your  
letter to Mrs. Mast, I have  
not seen the letter of the  
Judge to me of which you  
speak; neither has the firm.  
Let me know what it  
is for it is always a pleasure  
to do what I can do for you  
or the Judge & I sincerely hope  
a little rest may restore him.  
With well wishes,  
Hastily yours
