Mrs A. W. George
Mayville N. Y.

Dear Madam

Yours of the 3^d rec^d
The man Flinken has not as yet come to true
claims to have difficulty in raising the
money. Saw him the 3^d just thought he
could in a few days. finds it difficult
to dispose of stock this spring as he
calculated to do. I said to him he must
get around very soon or relinquish
his chance as the place must be cashed
for in some other way. Expect to see him
again in a day or two and will inform
you of the result at once.

Respectfully yours

A. W. Wright
