

Salem Mass, 14<sup>th</sup> April '90.

Dear Madam,

Yours of 13<sup>th</sup> Feb'y requesting a dozen photographs of Capt. Geo. Burwens's portrait was duly rec<sup>d</sup>. I was confined to the house most of the time for six weeks after I rec<sup>d</sup> it; as soon as possible I ordered them, the photographer was in the midst of moving and making alterations which has prevented my getting them until the day before yesterday, I think you must have thought I never intended answering it, but I did the best I could under the

circumstances, and hope you will be  
pleased with them,

Very truly yours

Geo. R. Curwen,

Mrs. Emma K. Tourgee:

I expected to send them last Monday  
but have been unable to get the bill until  
today.
