Your note
inquiring about the
Judge's Pension claim

After recording the same
the P.A. will forward the
certificates and vouchers

Please say to the Judge that Elbridge
wishes he may remember the
res. headed carpet bagger of Baden
is here on a visit from Penn-
and wishes to be remembered to
the Judge & whose brother he has
great admiration.

With best wishes
Yours truly
W. F. Fisher

wine press here though
there is nothing
