My dear Judge

I have received from
your Publishers a copy of the
Veteran and his Pipe, many
thanks. I believe in
the Veteran - deeply sympa-
thize with Pascal Raine but
feel no interest in the
pipe. Raine says many
things that at first I am
inclined to dispute
but he generally proves
his case. It presents
the Southern side better

than I ever saw it
stated by any other.

You intimated in
a note to me that you
might go abroad, if
so why not prepare
a story at-honor of Co-
lumbus for the Com-
ing Celebration?

I think a trip abroad
might help you.

Your permission certifi-
cate will be mailed in
a day or two as the Certif-
icate is already signed.

It gives you total

(P.S.) You know from discharge
2- date of your examina-
tion and \$30. thereafter
as you never had a medi-
cal examination till
March 15/90 the doctors
thought they could not
give a higher rate than
the rate first granted.

I do not feel that pro-
vision has been done you

It is an order of the
Dept- that all restorations
shall be put on the roll
from which dropped.
This will put you on

Columbus Ohio rolls
but transfer can be
had any time.

Certificates and
voucher will be
sent you at
Mayville

With regards to
Mrs. J. I am

Sincerely yours

A. W. Fisher
