My dear Mr. George

I shall read
Pocahontas Prince my first
Sunday afternoon off, and
will give "the Doctor" my
particular attention.

Many thanks for your kindness
in remembering me.

I was sorry not to have
seen the Judge at the time of
his last visit here, as I might
have been able to revise my
pleading statement to advantage.

No case in which I have
given a certificate has ever
yet failed (to my knowledge),
and I wanted this one as
complete as possible.

~~The~~ Atlantic City is

particularly desirable at
this season, and you could
probably get the services
of a Masseuse there.

Sea air and Massage shall
be of much use. though the
former may be all that is
required.

With kind regards to the
Judge and yourself.

I am

Yours sincerely

Chas. Wm. Thomas
