

United States Senate,

WASHINGTON, D. C. April 23, 1890.

Hon. Albion W. Tourgee

Mayville, N. Y.

Dear Judge Tourgee-

I have your favor of the 21st inst. I will give attention to the bill to which you refer. I have, in conjunction with Mr. Davenport and Mr. Hoar and Mr. Chandler, been doing a good deal of hard work on the preparation of a Federal election bill in the Senate, which tomorrow is to be considered by the Committee on Privileges and Elections, of which I am a member. Will send you a copy as soon as it is reported to the Senate.

I will get your remarks, and read them with care. Your views on the subject will have with me great weight.

Yours very truly
