

Mayville April 28th 1890 -

Hon A. W. Lougee

I saw E. R. Skinner today, made inquiry about if interest was kept up on my mortgage. I replied that there was still due and unpaid, two hundred dollars. He ask me to drop you a line and request the pay ment of interest. He said that he would be over again next week and would see me, hoping that there will not be any difficulty.

Respectfully
H. McKenzie
