Hon A W Lougee

Dear Sir

Allow me to express
my sincere thank for both letter & Book.
you are not "alone" in the great humanitarian
Cause. The true state of the case is, you
are Elijah speaking right out for God &
man; & we, (the 7000) are keeping
silent & allowing you to carry the cause.
Elijah carried it all the same.

I have a bill of damages to present
against Mr Pachtus Prime. I began

my interview with him, through the
medium of the Book, Monday A.M. &
the interview did not end until 9 P.M.

I carried the results of the interview
to bed with me Monday night & thought

of nothing else. In reading the
Morning Paper Tuesday I found

the reports of the Congressional Club
& of another meeting at which I
was due. Mr Prime had expelled

(over)

all thought of these from my mind, &
I would not have known that they
were over save for the newspaper
report. This is absolute fact.

The Club meeting was a most-
important one.

The book is a subjective treatment
of the cause & bump of right
time to a man's soul. May the
Lord spare long the hand that is
back of the pen, & the noble heart
that is back of the hand. I feel
that this book is going to wheel
thousands of young men & women
into line for the battle of human
rights.

The closing part is a keen
exhibit of the thinness of Mr. Gundy's
eloquent tribute to the Black men
for his voluntary side of himself to
the interests of the man who had enslaved
him.

physicians & a Bowdoin. He was
work last year & had hard work to
stand the manners of the Negro waiters
at "The Vendome". They acted like white men.

How I wish you could pay us
a visit to Boston! If you can
come I will give you my pulpit
as a platform & an audience of
1400, i.e. a house full.

My Church is the largest Orthodox Congre-
gational Church in New England, not the
wealthiest. W. H. H. Murray used to be

pastor. I believe it has always been
sound on the question ^{in which we are}
interested. ^{a former Pastor} J. A. S. Stone stood
side by side with Garrison & Phillips
in Anti-Slavery Times.
With my thanks I well wishes

I was talking yesterday with Dr. E. E. Hale about your book, he is in full accord with you & says he intends to read Pictorial Pine forthwith. I consider the Book masterly from A to Z.

There have been several addresses on the Negro Question in Boston of late. One before the Historical Society of Harvard, was very fine. It was by Richard Hollowell a partner of one of my deacons. A man who has lived apart from the Blacks because he too felt they did not speak out on the duties of the hour. I believe he is a graduate of Harvard. I shall ask him to send you a copy.

Four of our ministers preached on the subject the same Sunday morning. I have heard no dissent in my congregation, altho there was an audience
