My dear Mrs Tourgéé,

The article referred to by Judge Tourgéé's correspondent was published in the Weekly Tribune. I do not remember the date but have sent for it and will send it to Judge Tourgéé as soon as I receive it.

I am very sorry not to have known that Judge Tourgéé belonged to the North Carolina Constitutional Convention, when I might have consulted with him previous to publication.

I hope he will write me freely after reading the article.

With kind regards to yourself, Judge Tourgéé and Miss Tourgéé, I beg to remain,

*Yours truly*  
*J. W. Lable*
