**Mayville, N. Y.**

In the absence of Mr. Moot, we write you to say that we expect him back Monday night or Tuesday, next. We have wired you to this effect to-day. The Blair complaint was received by mail to-day, and we have forty days in which to make an answer to it. We know that Mr. Moot plans to come to Mayville shortly and see you in regard to it before preparing the answer.

Very truly yours,

Lewis, Moot & Lewis.
