Hon. A. W. Tourgee,
Mayville, N. Y.

Dear sir:

We are in receipt of your favor of May 2nd, and wish to notify you that the Phonograph-Graphophone and cylinders have arrived safely and in good order. We are sorry that you are not able to use the Phonograph-Graphophone in your literary work; we expect the reason it is not just adapted to your work, is on account of the cylinders not holding enough dictation. Should you be in Buffalo at any time, we would like to have you call at our office and inspect the Phonograph and Phonograph-Graphophone, as run by electric motors; we think one of these would answer your purpose admirably.

Enclosed please find bill for 8 cylinders, and 70¢ Express charges.

Paid Express Fee

Yours very truly,

J. D. Archibald
