Dear Judge

I have been assigned to duty in the Chatt. Tenn. Div. comprising the States of Tenn, Ga, Ala, S.C. & Fla. I will report for duty at headquarters in Chatt. on the 8th inst. My health is quite good at present and I am much pleased with the present outlook. Mrs. B. and the little "balky" girl are in their usual health but I don't think the Madam relishes being left a widow for an indefinite length of time for

we dont care to move
our household affairs
just yet. until at any
rate I find out the "lay
o' the land" and know
what is before me.

Just thought you might
be somewhat interested
in my movements & write
simply for the purpose
of letting you know what
I am going to do - if you
ever come down into that
"neck o' the woods" I want
to know about it - a
P. Card addressed to me
at Chattanooga Tenn
will be pretty sure to reach
me sooner or later

Mrs B joins me in
regards for the Madam
as well as yourself &

we hope your health
continued to improve,

Very truly yours
John W. Bulla
