

Buffalo, May 8.

Dear Mrs. Bourgee:

Your kind
note of the 28th rec'd.
In regard to the review
of Pactolus Prime, I
spoke to Mr. Serrano
and he said he was
reading the book and
intending to review it
himself. I should have
been pleased to have had
the opportunity of saying
something appreciative.
Thank you for the

copy of the Judge's remarks
on the Election Bill. I
noticed that Speaker Reed
was with him. Harry
and I called at the
Tipt House several
times this week thinking
we might find you
there but concluded
you had not come
to Buffalo as expected.

Hoping that the
Judge's health is better,
Sincerely,
Ed. H. Brush
