Dear Judge

Have reported for duty in this Div. and will commence active work in the field tomorrow (Monday) my territory consists of the states of Tenn Ga Ala S.C. and Fla. Think I shall like the business very much indeed except in the matter of enforced absence from my wife and baby, Am much impressed with the grave responsibility of the position and its peculiar and sometimes delicate duty but shall try not to found wanting in their proper discharge

I will not write you a long detailed account of my duties &c but am ready to tell you any thing possible at any time you may desire concerning myself generally. You most likely know quite a good deal of the general features of this country.

Regards to Mrs J.

Very respectfully  
J. W. Bullard
