Hon. A. W. Tourjée,
Mayville N. Y.

Dear Sir:-

Mr. Moot desires me to say that he greatly regrets that the state of your health does not improve; also that his own partner's sickness, and the consequent pressure of business will prevent him from seeing you at present. He, however, hopes soon to see you, and spend the day with you.

Mr. Moot has kindly given me the privilege of sitting in his office, until I can secure a permanent position.

Yours respectfully
H. W. Brubaker
