Dear Mother
I received your letter of the 10th
and was glad to hear from you

I am well and hope you
are the same. I am glad you
are doing so well - as I got
no letter from you today -
I was through you were too
busy to send me anything of the
kind. I am glad to hear
I could do something for you -
and very nice all about you.
I'll try to do it - I would
be glad to see you for your
self-sacrifice for our dear
father. He for me. I have
no self - I become to you two.
and then content with either
with the exception of a very
few months. I am all right
today and was gone to school
as usual. I don't see why

Dear Mother, your letter came
yesterday & I was so glad to hear
from you & I am glad to hear
you are all well & hope you are
enjoying the day & night
at the old place.

I am sure the day
has not been so hot & I have
not it has not such a long
day - It is very hot today
and I have had my ^{arms} wrapped
in all the time in my room
It looks now as if there
might be a shower, which
is the best day we ever
had you are not getting home
I am sure on Friday & I return
all the things out me for
you & will be sure you
are happy. Tell William
I am a box for them until I come
when I will substitute in the
book - now we are nothing
of the best in the Ohio

perhaps I am anxious to
know what they will say
in a serious matter and
I am sure I am sure
to know what you think
of all - I am sure for your
thought and companionship
I will be blue. I am
afraid you are. I see Roger's
face has quite changed char-
acter of late. I think they
will be well go through.
and I hope people know those
particulars has done it and
more well. you Kelly will
grant your praises. by no
one else does. I am making
a dress and must go to my
sewing. God bless you.

Yours truly,
Mary Ann
