Man 2

My dear Friends,

I have been looking after
the specimens.

Whose cord I enclose, so
there were two weeks ago

months, - and the letters
they were to be for you

to be signed, and the kind
you wanted, weight, &c.

I went to some of the dif-
ferent places, but there

had none in stock, but
they were found in the

with the specimens - and
delivered to the post.

I hope that you will
pardon the delay.

know, or write to him as
you wish, and I will pay
for them.

No letters to day. I did
letter mailed on afternoon
mail coach line, at 6.00, -
the instructions are
"do, if you don't, but sea
come on them. I thought
it might be well enough
to let you know. I can
then be sent out a bit
in the afternoon. -
It is a bright cool day, a
little wind. I expect the
at least to tomorrow, -
Dollie sends love. Her
wishes is to come and
see you to get something
possible, but not.

Yours truly,
E.
