My Dear Judge Fongee:

I see that you
were to lecture in Buffalo
next week. Is it on Thurs-
day evening? Now we
are all - I and my wife &
my son George and his wife -
anxious to have you -
and your wife - take sup-
per and spend the night

make us glad by saying

"Yes" to this sincere and

earnest invitation.

Faithfully yours,

Arthur Vincent

at the "Episcopal Residence"
— wish the full meaning
of that "Episcopal Residence".

We shall feed
you, and talk you, and
hear you, and sleep you,
and (if you want to ride)
drive you, and do anything
else that will bless you.

And if "She" cannot
come we will welcome you.
But we want to welcome
both.
