Darling I have but a little
time to write, for I want to
get the copying done, so I can
mail it to-night, that you
may receive it on Monday.-
I have been interrupted all
day.- by one thing and another
Lucie, has just gone.- and
I am afraid I will be in-
terrupted more. so I will not
write much but hope to write
a long letter tomorrow, as I
shall not go to church, as Adele
has nothing to wear.- then I
think it will do both of us
more good to talk together.-
than to go to church.-

The special delivery letter
on yours of Thursday come ok

at the same time. I hope
you are getting along all
right. Am glad you got
the horse. It is raining
here to day, - not very
pleasant. -

Maie laughed when I got
home from a trip up street
this forenoon, with a pot of
bedropes of rose geranium
under each arm. The 2 ar
cost 25 cts. - and will be
a heap of comfort to me
Mrs P. is coming to spend
the evening with us. -

Love to the darling
