Park Street Church

Boston Mass. June 2, '90

Hon Alban W Fougere

My dear Sir I am glad you are coming to Boston this week.

Now could you not give us an address Sunday evening June 8<sup>th</sup> in Old Park Street Church on the cause of humanity as related to the Race Problem? I shall be glad to entertain you at my house 155 Newbury St.

to which you can come on your arrival in the city. I live right back of "The Vendome". Please let me hear from you at once & give me your topic so that I may advertise in the daily papers & work up a large audience - what say you to the above?  
Sincerely

I have been invited to Friend Phillips' entertainments -
