Hon. Albion W. Tourgee,

Mayville, N. Y.

Dear Friend and Colleague:

Perhaps you thought I was "romancing" a little in asking you not to publish your address before our Law School, until I could arrange about having it delivered to a more appreciative and extensive audience at the next annual meeting of the State Bar Association at Albany.

On the contrary, I meant just what I said, and I have to state that I have written to the Secretary, Mr. Proctor, who informs me to-day that he and Hon. Matthew Hale, the President, of the Association, are very favorably impressed with the idea, and as soon as they can consult with some of the other members of the Executive Committee, (of which I am one) they will let me know; but the prospects seem to be that the Association will be greatly delighted to have the opportunity of hearing your address.

I will communicate with you further in regard to this, as soon as I hear more definitely from them, and remain

Very truly yours,

Tracy C. Becker
