

4782

141 Franklin St., Boston, Mass.

June 12, 1890.

My dear Sit,

Will you make such revision of the enclosed as you wish and return it to me by the next mail if possible. The rest of your copy will follow within a day or two.

Miss French was delighted to receive your autograph so promptly. She is planning to do missionary work among her Maine friends with your "creed".

Yours truly,

Isabel C. Barrows.
