Judge Tongue

My dear Sir,

Your note  
relating to the Barnard widows  
decided. I thank you for your  
help through the Inter Com.  
Your idea of a bill asking  
for Land money, I believe  
would succeed, and the  
objection coming from you  
would have might with  
Senator Chaudry. I had  
with pleasure your speech  
at Lake Mohawk. — I  
have recd nothing from you

on the terrible lynching in  
Livingston Co. If you care for  
the details, I will gladly  
send them to you, for such  
brutal, inhuman deeds,  
ought to be known at the  
North. The widows fund  
is now \$1555.40. I think  
I shall be able to raise  
\$2000. I find the Baptists  
are beginning to feel interested  
now they know the widows  
belong to that denomination.

Very truly yours,

Wm. C. Dayton
