

July 28-90

Dear Sir

I have carefully
examined the orders
of Barlow & Butt
and state upon my
honor they are with
no more than so much
white paper. Do not
use them; for I shall hold
you in heavy damages
if you do.

I shall at once
take steps to
set aside the
whole batch &
disregard them
and I will protect
you free of cost
Hastily
Aldbert Wood
