

# OFFICE Atlanta Times,

Cor. Broad & Mitchell Sts., Atlanta, Ga.

DEAR SIR:

THE ATLANTA TIMES is a paper published in the interest of the colored people. We wish to do all in our power to advance their welfare and the general welfare of our humanity.

One of the great and disturbing questions connected with our advancement is what is known as the "Race Problem." He who solves this question or marks out the way for its solution will be a benefactor to humanity.

Now, we have sent out this circular to a large number of leading men. We wish them to answer the following questions.

By this means, great good may be done, and a path may be pointed out in which the races can walk to a peaceful and happy solution of a vexed question.

This circular will be sent to both colored and white and the answers will be published in the order of their reception.

- 1 *If there is a "Race Problem" what is it?*
- 2 *How can the colored man best aid in its proper solution?*
- 3 *How can the white man best aid in its proper solution?*

Be as brief and concise as possible.
