PRESIDENT'S ROOM.

Chautauque, N. Y.,

Aug. 7, 1890.

Dear Sir:

I regret that we shall be unable to try the fishing again before I leave, but we have been very busy and unable to have tomorrow.

Prominent among my pleasant things which we have enjoyed this season we shall remember our call at Thorburn and the delightful acquaintance growing out of it.

Yours truly,
Hon. A. W. Tourgee.
