You H. Bion. H. Tonger.

Dear Sir:

The Independent  
Society <sup>of Hyonung Seminary.</sup> intends to have a lecture course  
during the fall & winter terms of the com-  
ing school yr and I write you to see  
if you could come & lecture upon one  
of your favorite themes if so wished, and  
I ask date & terms. Please answer so  
that I can place your terms before the  
society for consideration.

Yours Truly,

A. J. Weaver.
