Dear Sir: -

Mayville, N.Y.

Your letter in reply
to yours of the 9th inst. would
say that your advice relative
to the best case of the separate
car law will be gratefully accept-
ed, and acted upon by ^{the} U. C. E. Assn
at its first meeting.

Very truly yours,

Eli C. Freeman

I had no thought at first of
publishing your letter - but as encour-
aging were its sentiments that
I could not refrain from having
a part, not all of it - given to
the public - for which please par-
don me -

Yours

E. C. F.
