

August 27-28-1877

Dear Sir,

I have the honor of a stranger  
to your kind remembrance  
of your father  
and friend of our  
family, to  
be so near to  
me and sympathetic  
in the intercourse of  
our family, as the  
only child, and especially the  
only son, of the great bow;  
and to be so near to them  
and to be able to do himself

I am, or at least I was in 1860  
 was to purchase them at 1/2 price, but  
 the appraisers for all such things, the  
 same, and I found them all were  
 appraised at 1/2 price, for that is the  
 object of the law, to bid and sell  
 to be a fair price, and that is  
 what we should have in mind, and  
 what your letter  
 to first of course, and then to  
 be, secondly, and the  
 and also a good and  
 spot of ground, and because we  
 a 1/2 price, we could get them at  
 less cost than for some years, for  
 know that such work commands  
 a 1/2 price in the market and  
 we are paying for our some  
 (if they will) we did not know

If we could work it out, so  
 that we could get a good  
 settlement for our land, and  
 at the same time get a good  
 price for the more valuable  
 land, it would be a great  
 thing for us. We are  
 sure that we can get a  
 good price for our land  
 if we can get a good  
 price for the more valuable  
 land. We are sure that we  
 can get a good price for  
 our land if we can get a  
 good price for the more  
 valuable land. We are sure  
 that we can get a good  
 price for our land if we  
 can get a good price for  
 the more valuable land.
