

HOUSE OF REPRESENTATIVES,
WASHINGTON.

15-9-90

Dear Judge:

Your letter and your
article both give me
great pleasure. If you
are right and it proves
in the result that I
have done something
it will be better than
to be called of men
"Rabbi," won't it?

I told someone yester-
-day that the last

Sentence of the
Inter Ocean article
was a delightful
compliment.

Yours truly
