Dear Mr. Tungee

Tomorrow the copy
of "Ivanhoe Cartman" goes to the
printer, who says he can do
25 to 30 pages a day.

I have seven chap-
ters - 28,498 words - say 100
pages. Probably the printer
will not go quite as fast
as he thinks, but it will
be well to have more copy
in hand; so please send
an another batch.

Faithfully,
Yours,

J. Howard
