

Chief Clerk's Desk.

Department of the Interior,
Bureau of Pensions,
Washington, D. C.

Oct-6 1890

My dear Judge:

I am always glad
to hear from you and
hope you are improving
by resting.

All claims for back
pay and bounty due sol-
diers of the late war are
settled by the Second
Auditor U.S. Treas. Dept.
Gen. J. N. Patterson
Second Auditor

Washington 25th
I don't ask what you
think of the McKinley
bill that passed or the Lodge
bill that did not. For you
ought not to think so
much any way. You
think and write too much.
I believe everything
will come round about
right any way.

Respects to Mrs. P.

Yours truly

W. Fisher
