Dear

A. W. Frazier

Mayvelli Ky

My dear Sir

Confined at home
for two weeks with the
 Grip have been of late
served to the C. & O. Pass on
myself - you have been
much in mind and I
readily seem to me that
you are bound to be the
Colored Man's Moses and
through your instrumentality
the movement under God
is to bring deliverance to
this people and the only

come to save our Nation
May God give us wisdom
& patriotism for the struggle.
I was so delighted with
your notes on last Saturday
of the Ocean - wish you
could have seen my wife's
face as she read to me
the blistering rebuke you
gave that Young Representative
Republican of Kansas -

Am pleased to learn that
you have published a pamphlet
"Is liberty worth preserving" -
I send you 10.00 half of
which was previously promised
for the work - wish it was
\$100 - use it where it will
do the most good - Please
send me 5 copies - -

How much my wife
and I thank you
