Grinnell, Iowa,

Feb. 24, 1892.

Judge Albion W. Tourgee,

Dear Sir,-

If you can spare the time, will you please outline for us your principal arguments that the Federal Government should interfere in the Negro Question, - in schools, courts of justice, or in elections, or other way.

Can you, please, refer us to pamphlets, speeches or articles bearing upon this side of the question?

We represent a society of Iowa College in a coming contest for championship in debate.

We enclose stamps for postage, should you choose to send any pamphlet or paper.

We will have a winning point gained if we can have your reasons for our side, and we will be grateful.

Very truly yours,

Charles L. Pritch,

For the debaters

We will gladly send more postage
