

MILLION 'VOTERS' AGREEMENT.

This is a feature of temperance work being now vigorously pushed in many places with very encouraging results. Temperance societies of every kind are represented among these workers. The aim is to get one million voters to vote for the suppression of the saloon at the next national election. Why not every Christian man, and every temperance man, and every drinking man who wants the saloon taken out of his way, enter into this agreement.

For the services rendered and
 the amount of the bill, I enclose
 the amount of the bill, \$10.00, taken
 from the Baptist Young People's Union
 Chicago, Ill. Dec. 27, 1884. — "The judgment
 is that the Almighty suffer in the War of
 the rebellion to come upon the Nation
 for its sins & to wipe out the curse of

Slavery - The Democratic party, was
in possession of the government, and
the Devil had, even had possession
of it, for out of it, no good ever

came - The Republican party
put down the Rebellion

Then some of the disappointed &
intriguing politicians, striking out
of Office, place of power & self-interest,
led, like the Silverites in the last
Congress who sold their country & soul
for a mass of postage, went out from
us and formed the 3rd party, proclaimed -
