

Salamano, Mich,

Mr. Touge.

Dear Sir -

Owing to the
illness of myself
and family this
fall and winter I
have been forced to

of great advantage to me in
assisting me to present the
subject to the Club in a new
light with broader and more
intelligent characteristics

Allow me at this late date to
heartily thank you and to
assure you I did appreciate

seem very disconcert-
ed to you, in
neglecting ere this
to thank you for
your kind and
prompt answer to
my question on the
Renaissance -

It was just the answer
I desired and ex-
pected - and it was

most earnestly, the
knowledge I received
and the favor conferred
upon me - Pardon me
for not seeming to
do so.

I pray you ~~to~~ permit
me, in a trifling
manner, to repay
you for your trouble
by sending to your
"Queen of Hearts" this
souvenir spoon as

a thank offering
and a remem-
berance of my gratitude.

Believe me to be
cordially and

Respectfully yours

Stella Drake Krappen.
