*Philadelphia, Pa.,*

*March 1st, 1892*

*To Whom it may Concern:*

We, the undersigned pastors of Philadelphia, Pa., take pleasure in recommending Mr. G. F. RICHINGS with his wonderful exhibition "THE AFRO-AMERICAN SINCE EMANCIPATION." We feel that this work should meet the hearty co-operation of every minister, both white and colored. As a move in the interest of the race there is nothing to equal it, and no man can estimate the real good that such a work will accomplish. Mr. RICHINGS not only talks about our interest but he shows in his illustrated lecture just what we have done and where we stand to day. We urge that every pastor in charge of work will arrange with Mr. RICHINGS for two of his lectures, by so doing you help your church and at the same time you help one of our friends to help us.

We are, yours truly,

REV. B. F. LEE, D.D.	REV. J. HUDSON RIDDICK.
REV. L. J. COPPIN, D.D.	REV. MATTHEW ANDERSON.
REV. W. H. HEARD, D.D.	REV. G. W. OFFLEY.
	REV. C. T. SHAFER.

IN THE U. S. A.

From our knowledge of Mr. RICHING's lecture, "The Afro-American since Emancipation," we are convinced that it will do good, not only in giving valuable information to all who hear it, but in stimulating the colored people to make the best of themselves.

MRS. C. E. COULTER, Gen. Sec'y.  
J. T. GIBSON, Off. Sec'y. and Treas.

We the undersigned take pleasure in saying that we have heard Mr. RICHINGS, and as a speaker he has few equals. We feel that a greater work has never been undertaken in the interest of our people, and earnestly urge that PASTORS and PEOPLE will do their utmost to fill the house wherever this TRULY WONDERFUL PANORAMA and LECTURE are given.

Yours for progress,

SALISBURY, MD.,

MARCH 28TH, 1892

We, as the *Presiding Elders* of the *Delaware Conference* are truly glad that we have it in our power to say a word of commendation for such a noble work as Mr. G. F. RICHINGS is now doing in the interest of the race. He gave his wonderful exhibition, "Afro-American since Emancipation," before our Conference at Salisbury, Md., the 26th of March, 1892, to a packed house, and we have seen so many wonderful things regarding the very rapid progress made by the race since the war. Let every church be to Mr. RICHINGS, we cannot afford to let such a work pass a single congregation.

We are yours for progress,

REV. L. Y. COX.	REV. T. H. ...
REV. W. H. COFFEY.	REV. J. H. ...

WILBERFORCE, OHIO  
Oct. 12th

*To Whom it Concerns:*

It does not stand me in hand to waste words in praise of the work presented by Mr. G. F. RICHINGS of Boston, Massachusetts Tuesday night in Xenia, Ohio, and Wednesday night at Wilberforce, and there was more *entertaining, inspiring, and information* relative to every progressive phase of the activities of the colored people of America, to the square inch of time than in any address or lecture to which I had ever listened or expect soon to hear, unless from Mr. RICHINGS himself.

Yours truly,

S. T. MITCHELL,  
President Wilberforce
