Dear Sir:-

Having read "An
outing with the Queen
of Hearts" I admire it
and think it the most
beautiful article in
November issue of the
"Cosmopolitan".

I enjoy just such
solitary journeys only
I cannot go "far from
the haunts of man." Al-

low me to ask you if
the island mentioned
is real and where it
is?

I remain your
young admirer
while I patiently
wait for answer
to my note.

L. O. Seaber,

U. H. F.
