My Dear Sir.

I am preparing to publish the annual announcement of the Buffalo Law School, and in order that it may be as complete as possible, and as fully meet the wishes of the Faculty, I ask you to send to me such suggestions as to form and matter, as may seem good to you.

I wish to make the announcement for this year as good and as attractive a one as is sent out by any Law School. It is desirable that all matter to go into the announcement should be in my hands very soon in order to secure an early publication and distribution of it.

Very truly yours,

LeRoy Parker,

Vice Dean.
