Buffalo Nch York 1892

Dear Mrs Bourge,

Please pardon my sloo-  
ness in sending the Iodine Phosphate.  
I have not time well and could not  
get out to attend to it as promptly  
as I wished. I ordered it from a  
drug store in the neighborhood and  
they had not a sufficient quantity  
and sending for it took more time.  
I believe I am suffering from an at-  
tack of malarial fever but think I  
am getting the upper hand of it.  
The pictures arrived all safely a  
few days ago and we were glad  
to have it back in its place on the  
wall again Daisy sends her love -  
Please mention me back.

Sincerely

Wm H Chase
