THE PROGRESS.

ALBERT MAGNIN, Editor and
Publisher.

My Dear Judge. Have just returned from Washington where I had a very satisfactory talk with Mr Halford, the President, P. McKen Wanamaker and Atty Gen Miller. Things look good. Had a delegation with me. Your letter was on the President's desk. Can you add to it by a strong one to Halford, he seemed interested in you, also to Atty Gen Miller, in both of which you might lay stress upon the fact that I stood up for B. H. against Cameron with the odds against me &c. If you could but go to Washington and see

them I think that would settle
it. I am going to interest
myself in the N. C. R. A. as soon
as I can get a little time. How
would it do to use my paper in
disseminating information re about
the movement?

With many thanks,

Truly Yours
Albert Magnus
